2. Going Concern

NSL’s financial statements are prepared using Generally Accepted Accounting Principles applicable to a going concern that contemplates the realization of assets and liquidation of liabilities in the normal course of business. As of September 30, 2022, the company has accumulated a deficit of \$10,210,433 and a working capital surplus of \$12,097,316. All of these items raise substantial doubt about its ability to continue as a going concern. Management’s plans with respect to alleviating the adverse financial conditions that caused management to express substantial doubt about the NSL’s ability to continue as a going concern are as follows:

In order to fund the start-up of operations during the period ended March 31, 2022, management plans to enter into several financing transactions and try to raise funds. The continuation of the Company as a going concern is dependent upon its ability to generating profitable operations that produce positive cash flows. If the Company is not successful, it may be forced to raise additional debt or equity financing.

There can be no assurance that the Company will be able to achieve its business plans, raise any more required capital or secure the financing necessary to achieve its current operating plan. The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plan described in the preceding paragraph and eventually attain profitable operations. The accompanying financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

In order to fund the start-up of operations during the period ended March 31, 2022, management plans to enter into several financing transactions and try to raise funds. The continuation of the Company as a going concern is dependent upon its ability to generating profitable operations that produce positive cash flows. If the Company is not successful, it may be forced to raise additional debt or equity financing.

There can be no assurance that the Company will be able to achieve its business plans, raise any more required capital or secure the financing necessary to achieve its current operating plan. NSAV announces record 2023 annual revenue and the launch of AIRDROPx.co

LONDON, UK / ACCESSWIRE / April 15, 2024 / Net Savings Link, Inc. (OTC Pink:NSAV), a cryptocurrency, blockchain and digital asset technology company, announced today the results for the year ended December 31, 2023. NSAV reported revenues of \$24.3 million in 2023. The Company's Annual Report was filed with OTC Markets on Friday, April 12, 2023.

NSAV also announced today that its AirdropX <https://www.airdropx.co/>, a cutting-edge platform dedicated to revolutionizing the cryptocurrency airdrop experience, has officially launched to the public. Designed to provide a seamless and user-friendly interface, AirdropX aims to connect cryptocurrency enthusiasts with the latest crypto projects in the rapidly evolving NSAVx.com <https://nsavx.com/> blockchain ecosystem. Verified NSAVx token holders will receive airdrops in each project listed on Airdropx.co. To verify your NSAVx holding, please visit <https://www.airdropx.co/nsavx> and fill out the verification form.

With Airdropx.co, projects pay a monthly fee of \$3,000 for unlimited airdrops over a 30-day period. This includes a dual pair listing on <https://nsavx.com>, Wallet holder batch file upload, Wallet verification bot and an in-depth order book on NSAVx. The \$3,000 monthly fee is paid directly using the NSAVx token, on the Airdropx.co website. In the event projects do not own NSAVx tokens, they can be purchased directly from the website or by emailing hello@nsavxtoken.com.

NSAV released the following statement, "2023 represents a pivotal chapter in our company's history. In 2024, we remain committed to further enhancing technological innovations and improving the customer experience."

2. Going Concern

NSL’s financial statements are prepared using Generally Accepted Accounting Principles applicable to a going concern that contemplates the realization of assets and liquidation of liabilities in the normal course of business. All of these items raise substantial doubt about its ability to continue as a going concern. Management’s plans with respect to alleviating the adverse financial conditions that caused management to express substantial doubt about the NSL’s ability to continue as a going concern are as follows:

In order to fund the start-up of operations during the period ended March 31, 2022, management plans to enter into several financing transactions and try to raise funds. The continuation of the Company as a going concern is dependent upon its ability to generating profitable operations that produce positive cash flows. If the Company is not successful, it may be forced to raise additional debt or equity financing.

There can be no assurance that the Company will be able to achieve its business plans, raise any more required capital or secure the financing necessary to achieve its current operating plan. The ability of the Company to continue as a going concern is dependent upon its ability to successfully accomplish the plan described in the preceding paragraph and eventually attain profitable operations. The accompanying financial statements do not include any adjustments that might be necessary if the Company is unable to continue as a going concern.

NSAV Announces Formation of NSAVx.com, Inc. in Puerto Rico and Application for Puerto Rico Money Transmitter License

[Press Release](#) | 06/06/2024

LONDON, UK / ACCESSWIRE / June 6, 2024 / Net Savings Link, Inc. (OTC PINK:NSAV), a leading Web3, blockchain and digital asset technology company, announced today the formation of NSAVx.com, Inc. in Puerto Rico and the submission of its application for a Puerto Rico Money Transmitter License (MTL).

According to the Nationwide Multistate Licensing System (NMLS), any company engaged in the money transmitting business in Puerto Rico must be licensed. A money transmitting business includes services or activities involving the receipt of payment orders, such as bank drafts, checks, personal money orders, or other means of money transmission or payment. This includes electronic transfers, wires,

telephone payments, or any medium used to transfer funds to a beneficiary, for which a service charge is paid.

Additionally, the MTL encompasses all money service businesses handling cryptocurrency or convertible virtual currency, such as Bitcoin, Bitcoin Cash, Ethereum, Litecoin, Cardano, Tether, and those operating Bitcoin Teller Machines (BTMs).

Recently, key NSAV executives attended the Consensus and DNA House conference in Austin, Texas. Kevin Simon, CEO of NSAV, was a special guest speaker, and NSAV sponsored the DNA House event. Productive meetings with the DNA.fund executive team led NSAV management to establish NSAVx.com, Inc. in Puerto Rico and apply for the Puerto Rico Money Transmitter License, solidifying future business dealings between the firms.

NSAV also announced today the expansion of the HMLA and EVEREST LP partnership listings for June 2024, including:

- The EVEREST Token
- The DIVPAY Token
- The GBUX Token
- The MADA Token
- The CUBED Token
- The WRIT Token

Each token will have a \$100,000 ETH/Token pair for the initial pool.

Kevin Simon, CEO of NSAV, stated "Having the opportunity to meet with industry leaders such as Brock Pierce, Chris Miglino, Scott Walker, and Emil Bailey and hear their vision for the Web3 industry was a true eye-opener. DNA.fund is at the forefront of the Web3 space, and we are honored to work with their team of professionals. Establishing NSAVx.com, Inc. in Puerto Rico and applying for the MTL reinforces our commitment to being at the forefront of the growing Puerto Rico crypto community."

Ryan Nguyen, CEO of HMLA added "Rapid revenue recognition is one of our primary goals. Launching these LP partnerships will help us achieve our goal of retiring debt on our balance sheet and restoring equity reserves to our treasury."

ADDITIONAL ARTICLES NET SAVINGS LINK, INC.

Section 1. Capital Stock

The aggregate number of shares that the Corporation will have authority to issue is Four Billion (4,000,000,000) of which Three Billion (3,000,000,000) shares will be common stock, with a par value of \$0.001 per share, and One Billion (1,000,000,000) shares will be preferred stock, with a par value of \$0.00001 per share.

The Preferred Stock may be divided into and issued in series. The Board of Directors of the Corporation is authorized to divide the authorized shares of Preferred Stock into one or more series, each of which shall be so designated as to distinguish the shares thereof from the shares of all other series and classes. The Board of Directors of the Corporation is authorized, within any limitations prescribed by law and this Article, to fix and determine the designations, rights, qualifications, preferences, voting rights, limitations and terms of the shares of any series of Preferred Stock including but not limited to the following:

- (a) The rate of dividend, the time of payment of dividends, whether dividends are cumulative, and the date from which any dividends shall accrue;
- (b) Whether shares may be redeemed, and if so, the redemption price and the terms and conditions of redemption;
- (c) The amount payable upon shares in the event of voluntary or involuntary liquidation;
- (d) Sinking fund or other provisions, if any, for the redemption or purchase of shares;
- (e) The terms and conditions on which shares may be converted, if the shares of any series are issued with the privilege of conversion;
- (f) Voting powers, including but not limited to super voting rights and the right to have the preferred stock vote as a single class with the common shares on all matters submitted to shareholders; and,
- (g) Subject to the foregoing, such other terms, qualifications, privileges, limitations, options, restrictions, and special or relative rights and preferences, if any, of shares or such series as our Board of Directors may, at the time so acting, lawfully fix and determine under the laws of the State of Nevada.

In the event of our liquidation, holders of preferred stock will be entitled to receive, before any payment or distribution on the common stock or any other class of stock junior to the preferred stock upon liquidation, a distribution per share in the amount of the liquidation preference, if any, fixed or determined in accordance with the terms of such preferred stock plus, if so provided in such terms, an amount per share equal to accumulated and unpaid dividends in respect of such preferred stock (whether or not earned or declared) to the date of such distribution. Neither the sale, lease, or

exchange of all or substantially all of our property and assets, nor any consolidation or merger, shall be deemed to be a liquidation.

Section 2. Acquisition of Controlling Interest.

The Corporation elects not to be governed by NRS 78.378 to NRS 78.3793, inclusive.

Section 3. Combinations with Interest Stockholders.

The Corporation elects not to be governed by NRS 78.411 to 78.444, inclusive.

Section 4. Liability.

To the fullest extent permitted by NRS 78, a director or officer of the Corporation will not be personally liable to the Corporation or its stockholders for damages for breach of fiduciary duty as a director or officer, provided that this article will not eliminate or limit the liability of a director or officer for:

- (a) acts or omissions which involve intentional misconduct, fraud or a knowing violation of law; or
- (b) the payment of distributions in violation of NRS 78.300, as amended.

Any amendment or repeal of this Section 4 will not adversely affect any right or protection of a director of the Corporation existing immediately prior to such amendment or repeal.

Section 5. Indemnification

- (a) **Right to Indemnification.** The Corporation will indemnify to the fullest extent permitted by law any person (the "Indemnitee") made or threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (whether or not by or in the right of the Corporation) by reason of the fact that he or she is or was a director of the Corporation or is or was serving as a director, officer, employee or agent of another entity at the request of the Corporation or any predecessor of the Corporation against judgments, fines, penalties, excise taxes, amounts paid in settlement and costs, charges and expenses (including attorneys' fees and disbursements) that he or she incurs in connection with such action or proceeding.
- (b) **Inurement.** The right to indemnification will inure whether or not the claim asserted is based on matters that predate the adoption of this Section 5, will continue as to an Indemnitee who has ceased to hold the position by virtue of which he or she was entitled to indemnification, and will inure to the benefit of his or her heirs and personal representatives.
- (c) **Non-exclusivity of Rights.** The right to indemnification and to the advancement of expenses conferred by this Section 5 are not exclusive of any other rights that an Indemnitee may have or acquire under any statute, bylaw, agreement, vote of stockholders or disinterested directors, the Certificate of Incorporation or otherwise.

(d) Other Sources. The Corporation's obligation, if any, to indemnify or to advance expenses to any Indemnitee who was or is serving at the request as a director, officer employee or agent of another corporation, partnership, joint venture, trust, enterprise or other entity will be reduced by any amount such Indemnitee may collect as indemnification or advancement or expenses from such other entity.

(e) Advancement of Expenses. The Corporation will, from time to time, reimburse or advance to any Indemnitee the funds necessary for payment of expenses, including attorneys' fees and disbursements, incurred in connection with defending any proceeding from which he or she is indemnified by the Corporation, in advance of the final disposition of such proceeding; provided that the Corporation has received the undertaking of such director or officer to repay any such amount so advanced if it is ultimately determined by a final unappealable judicial decision that the director or officer is not entitled to be indemnified for such expenses.
